## NOTICE

### Marina Permit Attachment

The limitations specified on this attachment apply only to overdimensional vehicles operating under the authority of a valid **MARINA SPECIAL HAULING PERMIT** issued in accordance with Section 4513.34 of the Ohio Revised Code.

- Authorized movement may not exceed a ten (10) mile radius of stated point of origin over State and U.S. highways. Movement is **not** authorized on fully controlled or limited access highways.
- Power unit may consist of an agricultural tractor or land tug. Such vehicle must have a three (3) digit unit number clearly displayed.
- Maximum running height is not to exceed four (4) inches below the lease vertical clearance or overhead obstruction on the route. Though permit may be issued, the State of Ohio does not warrant the clearance of overhead obstructions on the route.
- Permittee is responsible to check route for adequate clearance of overhead obstructions.
- One (1) rear escort shall be required at all times in addition to the escort requirements listed on form OS-1A.
- **SLOW MOVING VEHICLE** sign must be properly affixed.

If you require additional information or assistance, please contact the Special Hauling Permit Section.
